

In the Specification:

Please insert the following paragraph immediately after the title on page 1 of the specification to include the entry of the required sequence listing incorporation by reference paragraph, and the as well as entry of the required SEQ ID NO identifiers for each listed sequence.

Sequence Listing

The instant application contains a Sequence Listing which has been submitted via disks and as a printed paper copy, and is hereby incorporated by reference in its entirety. The paper copy and the disks, recorded on April 2, 2007 and labeled "CRF," "Copy 1" and "Copy 2", respectively, each contain only one identical 1.26 Kb file (09.913,956.APP) of the Sequence Listing.

Please REPLACE the paragraph beginning at page 8, line 13, with the following paragraph:

Fig. 13 shows curves in which viability of human fibro sarcoma cell line is plotted versus concentrations of peptides, demonstrating that the peptides of the invention (SEQ ID NO: 1, SEQ ID NO: 2, and SEQ ID NO: 3, wherein control peptide KKKKKK has SEQ ID NO: 4), have no direct influence on human fibro sarcoma cells.

Please REPLACE the paragraph beginning at page 8, line 17, with the following paragraph:

Fig. 14 shows curves in which changes in tumor size are recorded over the time period of injection, demonstrating that the peptide of Sequence 1 (SEQ ID NO: 1) effectively inhibits the growth of human colon carcinoma cells in mice, wherein sequence EEFD DA (SEQ ID NO: 5) exhibited no effects.
